"Relying on God has to start all over everyday, as if nothing has yet been done." –C. S. Lewis

Church Weekend Away: The Church Weekend has been postponed until October 2022. If you have any queries please contact Linda Russell: family_russell@btinternet.com

Coming soon - live Zoom worship! You are invited to join a time of live, interactive, Iona-style contemplative evening worship, via Zoom, on **Sunday August 30th at 7pm** for around 45 minutes. No masks, no booking, no social distancing ... Worship with Liz from your own home, including (optional) singing!

How is this different from other on-line worship? Because, although we will not be physically together, we will be participating and worshipping together in a live, not pre-recorded situation.

What do you need to do? Nothing, except find a quiet zoom space and join the meeting!

More details and the zoom link available in the next two weeks. Want to know more? Ask Liz liz@hallam97.plus.com or 230 2969.

St Luke's Ramblers: Having missed several rambles, we're going to re-start with a socially distanced walk on Saturday 5th September, meeting outside Fulwood Old Chapel on Whiteley Lane for a 2pm departure. We'll head down to Endcliffe Park along the river and loop back again (about three miles), finishing with a cuppa outside the Forge Dam cafe. Due to current restrictions, we can't offer lifts, and are limited to a maximum of ten people (two groups of six, including ourselves). Please ring us to book a place.

Past Cases Review 2 (PCR2) As you may be aware the Church of England is reviewing all known past cases of abuse or reported abuse by Clergy, any Church Officer or anyone seen as representing the church, who is still living. Bishop Mark Sowerby states:- "PCR2 is a central part of the church's proactive approach to identifying where abuse allegations have not been managed appropriately or safely." "We are committed to responding well to all survivors of abuse and I pray that the PCR2 is another step to making the Church a safer place for all."

I have been asked to report to the Diocese on behalf of St Luke's. If you have any current or past concerns about the safeguarding behaviour of a church officer (who is still believed to be alive) in any Church of England Church you can speak to our Safeguarding Officer Sue Prestwood: E-mail safeguarding@slclm.org or tel. 077923510.

Alternatively if you prefer, you can contact our Diocesan Safeguarding Advisers:-

Linda Langthorne linda.langthorne@sheffield.anglican.org tel. 07871 796682

Sian Checkley sian.checkley@sheffield.anglican.org tel. 07741013775

However, recognising that this may not feel safe for those with a lived experience of abuse from within the church, a dedicated telephone helpline - 0800 80 20 20 - operated independently from the church, by the NSPCC, has been set up. Anyone can use the helpline to provide information or to raise concerns regarding abuse within the Church of England context; whether they are reporting issues relating to children, adults or seeking to whistle blow about poor safeguarding practice.

Prayer: We have reintroduced a list of names on the notice sheet of those in need of prayer support. As the notice sheet is available to anyone to collect from outside Church and because it is downloadable from the Church Website we are proposing to introduce a new system for adding names. If you would like prayer for yourself then please contact St Luke's Office and give your name to Michelle. If you know of someone else whom you feel would benefit from prayer then please encourage them to contact Michelle personally. In order to comply with safeguarding advice it will not be possible to add someone else's name. In this instance it would be best to contact a member of the pastoral team who could give support. Names will be put on the list for four weeks. At the end of the four weeks they will be removed unless the person concerned contacts the office and asks for their name to remain on the list as they continue to need prayer. The office can be contacted on 230 3199 or at office@slclm.org.

Don't forget the nomination process for our next Mission Partner is now open.
