Eco Church Festival with 'Churches Count on Nature' 2021

Join us for a day of inspirational speakers exploring the topic of Net Zero and practical workshops on helping your place of worship develop a more sustainable future.

The Eco Church Festival with 'Churches Count on Nature' 2021 opens online on Saturday 12th June 2021 at 9am, and is hosted by the Diocese of Sheffield. The programme runs from 9:30am-1:30pm with a break and will include sessions for children and young people. There will then be an opportunity until 2pm to chat over lunch in breakout rooms and visit the virtual bookshop.

The festival celebrates God's creation and is linked with 'Churches Count on Nature' week, including sessions for children and young people. It will also provide space to pray and reflect on the climate and nature crises in the lead up to COP26.

Interactive workshops and sessions will be of interest to all who wish to actively care for God's creation. For places of worship and church communities, there will be advice and support to make practical progress, including at every stage of their Eco Church journey.

The festival links with the Eco Church North West and South East conferences earlier this year to further encourage us in our Pilgrimage to Net Zero and Going Beyond Bronze.

Annual Church Meeting (ACM) 27 June

The 2021 ACM will take place on Sunday 27 June. Trustees changed the date due to the unavailability of the Vicar/Minister and Treasurer for the earlier date.

This will be a live event after the morning service. We should be able to accommodate a good number of people in church by then. Documents, including the main formal report with financial report, will be circulated before the meeting.

A major purpose of the meeting is to elect people to represent the church in various roles. There are several vacancies for Trustees. If you are interested, or know someone who you think should stand as a Trustee, please pray and discuss the matter and make contact with Peter Armstrong, Joan Russon or Grace Warren. Grace will become a Warden as Claire Marr ends her period of office. Nominations for a new Trainee Warden are very welcome. Those holding other roles, including denominational and synod representatives, should please consider whether they are happy to continue or suggest others who might be nominated. Further details concerning roles and nominations will be circulated soon. Questions should be directed to Peter Armstrong or the Wardens as above.

Foodbank Collection

The next S6 Foodbank collection is **this Tuesday**, 1 June, at 10-12. Thank you for your continued generous donations. About half of the food given has come from local residents who do not receive this newsheet so if you are willing to display a poster in a public place let me know and I will put one through your door. Contact j.m.roberts0003@gmail.com or ring me on 07875609842. Thank you. Colin Roberts

Thought for the Week

During the last year or so, '**Thought for the Week**' has been a valued extra offering to the church family. However, with church being open again for Sunday services, Rev Tracey's 'Thought' this week will be the last one.

Many thanks to the writers. Publishing the text of the Sunday sermon alongside the notice sheet has proved popular, and will continue.
