2022 Church weekend Swanwick.

After careful consideration of the ongoing Covid situation and the likely numbers attending, Trustees have reluctantly made the difficult decision to cancel the 2022 Church Weekend at Swanwick. Cancelling at this stage means that St Luke's forfeits its deposit but to cancel the weekend at a later time would have incurred higher financial penalties. In place of the Church Weekend, we would hope to arrange a day away for St Luke's at some point next year so that more people may be able to attend.

Ann Bell: "Hello, I'm Ann the new Church Administrator. I'm married to Jim and am mum to Emily (16) and Louis (12). I studied a degree in City and Regional Planning at Cardiff University and moved to Sheffield in 1993. I worked in administration at both Sheffield University and Sheffield Hallam University, but left Sheffield Hallam in 2011 to concentrate on my family. I enjoy running, doing zumba and cycling. I'm also keen reader. I'm looking forward to getting to know St Luke's over the next few weeks."

PRAY!

"At the heart of all our praying must be a biblical vision. That vision embraces who God is, what he has done, who we are, where we are going, what we must value and cherish. That vision drives us towards increasing conformity with Jesus, towards lives lived in the light of eternity... That vision must shape our prayers so that the things that most concern us in prayer are those that concern the heart of God." (DA Carson)

Let's ask God this week for his vision as we discuss the way forward for us as a church. Then let us pray into the vision so that he may prepare us to be all he calls us to be.

If you need prayer for any situation, for yourself or others, please email your request : prayer@slclm.org and we will pray for you in confidence.
